

“ We were referred to Loadhog by our associates who informed us that using the Loadhog Pallet Lid is quick & easy and would keep our operations tidy. Management were happy to implement the system as it was safe, saved money and improved our operation in general. ”  
 MS Section Manager, TS Tech UK Ltd

## Experienced Benefits

### Removal of Shrink Wrap

This system has eliminated 4.8 tons of stretch wrap each year.

### Operational Control

The Lid is quick and easy to use and therefore helps increase the parts control and parts flow.

### Health & Safety

Significant reduction in manual handling risks and injuries.

### Visual Impact

Keeps the production area and warehouse clean, tidy and free of stretch wrap and generally looks more professional.
